STONE/MASONRY FINISHING TEMPLATE

	Product	Model Description	Finish	WT/lbs.	Sugg. List
	TEM80A	Arched template		23	\$55
	TEM80WI	Arched template for GD525-WI		23	\$55
	TEM80R	Rectangular template		22	\$55

The finishing template is designed as an installation tool to assist when facing a GD80 with stone or masonry products. In order to ensure glass door removal and installation of optional decorative doors, it is critical that no facing material protrude into the fireplace opening. This is a reusable tool/template which is recommended to be part of your installers equipment.
